

On-site Pharmacy Services for Your Whole Family

DMG Children's Rehabilitative Services (DMG CRS) includes Genoa Healthcare® pharmacy services on-site. Now you can get your prescriptions filled without having to make an extra stop on the way home.

Here's how it works:

Tell your DMG CRS provider you want your child's prescription filled by the on-site pharmacy.

The on-site pharmacy technician will run the prescription with oversight and counseling from a remote pharmacist.

You can pick up your prescription at the Genoa Healthcare pharmacy located at DMG CRS or have prescriptions mailed to you at no cost.

In addition, Genoa Healthcare will:

Provide pre-filled pill organization to make it easy for you to remember to take medications.

Help with insurance or medication questions.

Fill prescriptions from providers outside of DMG CRS, so you can get all your family's prescriptions filled at one place conveniently.

Call the pharmacy at (623) 455-5604 to learn more.
