

On-site Pharmacy Services for Your Whole Family

DMG Children's Rehabilitative Services (DMG CRS) includes Genoa Healthcare® pharmacy services on-site. Now you can get your prescriptions filled without having to make an extra stop on the way home.

Here's how it works:

- (1) Tell your DMG CRS provider you want your child's prescription filled by the on-site pharmacy.
- (2) The on-site pharmacy technician will run the prescription with oversight and counseling from a remote pharmacist.
- (3) You can pick up your prescription at the Genoa Healthcare pharmacy located at DMG CRS or have prescriptions mailed to you at no cost.

In addition, Genoa Healthcare will:

- (1) Provide pre-filled pill organization to make it easy for you to remember to take medications.
- (2) Help with insurance or medication questions.
- (3) Fill prescriptions from providers outside of DMG CRS, so you can get all your family's prescriptions filled at one place conveniently.
