

Wheelchair and Equipment Evaluations

Wheelchair and equipment evaluations for your patients with special needs

District Medical Group Children's Rehabilitative Services (DMG CRS) is an expert in caring for children with special needs. Our team has more than 30 years' experience with wheelchair and durable medical equipment (DME) evaluations. DMG CRS physical and occupational therapists will expertly assess the needs of your patient, assist with trying devices, aid in writing health plan letters of medical necessity, and provide follow-up device training for the child and parent/guardian.

Activity chairs and feeder seats
 Car seats
 Crutches and canes
 Elbow extension orthosis ("no-no's")
 Gate trainers
 G-tube belt protectors
 Hand splints

Hoyer lifts and slings
 Oval 8-rings
 Post-op splint fabrication
 Standers
 Walkers
 Wheelchairs (manual and power, all sizes)

A provider referral and last office visit notes are required prior to scheduling a DME evaluation.

About DMG Children's Rehabilitative Services

DMG CRS offers families a state-of-the-art facility with a friendly, professional environment. DMG CRS is the largest Multi-Specialty Interdisciplinary Clinic (MSIC) in Arizona and designed to meet the unique healthcare requirements of special needs children and their families. Centrally located in an easy-to-access, one-story facility, DMG CRS is home to more than 25 medical specialties and robust support services, including primary care, dental, behavioral health, rehabilitation, a pharmacy, and education and social workers to care for pediatric patients of all ages.

We are here for your patients' special needs.
